Discussion:

Plenary Session

Universities as a factor of social and innovative development in the XXI century.

1. Modern and traditional university identities.
2. Universities and society: the social role and responsibility of universities.
3. The role of universities in the creation of social, economic and cultural impact.
4. Possibilities of implementation of the “third mission” of universities in Kazakhstan

Plenary Session

Partnership between universities and NGOs: what can they learn from each other?

1. Accessibility of university services for NGOs
2. Autonomy of Higher Educational Institutions in Kazakhstan: opportunities for NGOs.
3. The role of universities in the training of non-governmental sector experts and managers

Panel discussion –Trek 1

“Service learning” as a tool for development of social and civic activity of youth.

1. Installation of the civic responsibility among young people – task of universities.
2. «Service learning» as a part of neoteric civic education.
3. «Service learning» vs volunteering: similarities and differences.

Panel discussion – Trek 2

Trends of modern Kazakhstan universities: how to become the territory of meanings?

1. “4.0 University” Model and Kazakhstan realities.
2. Accreditations and rankings: if they sufficiently reflect the impact of universities on society.
3. Universities’ contribution to the development of regions and local communities.
4. Future of Business Schools: engagement, innovation and impact.

Panel discussion – Trek 3

The role of universities in the implementation of the state program “Rukhani Jangyru”

1. Educational component of the state program “Rukhani Jangyru”: priorities and tasks.
2. Modernization of higher education in Kazakhstan – basic condition for modernization of public consciousness.
3. Contribution of universities into the individual competitiveness as a factor of the nation’s success.
